The 17th century Turkish traveller, Evliya Celebi, described embroidery as ‘the craft of two hands’. Since those early years, generations of stitchers have kept this ancient craft alive and today, in the 21st century the long tradition of embroidery has been enriched with a new name: Lanarte.

In 1934 Guus and Emilie Vergnes’ small store, in Leeuwarden in The Netherlands, quickly became synonymous with exclusive needlework kits. For decades Lanarte has held a leading position in the craft sector. In the 1970s and 80s, Guus and Emilie’s sons developed their exclusive needlework kits to be among the best in Europe. The sale of the company to the Belgian group, Verachtert, in 2011 brought a new dynamic, creative thrust and further expansion. Today, Lanarte launches 2 new collections per year, each inspired by the latest trends. Nearly a century of excellence and quality is only possible if you are constantly seeking out new challenges; this is what makes Lanarte world class.

Today, Lanarte’s exclusivity is not only reflected in the use of the highest quality materials, but also in its unique designs. Lanarte is proud of its collaboration with renowned artists, including the illustrator Marjolein Bastin, together with its own Design Team, which guarantees the success of Lanarte’s prestigious collections of highly detailed, timeless and stylish designs combined with striking images.

Working on a Lanarte kit is more than embroidery. It is enveloping yourself in a centuries long tradition of art and craft .

Lanarte is the art of stitching.

The 17th century Turkish traveller, Eytim Celebi, described embroidery as 'the craft of two hands'. Since those early years, generations of stitchers have kept this ancient craft alive and today, in the 21st century, embroidery has been enriched with a new name: Lanarte.

In 1934 Guus and Emilie Vergnes' small store, in the heart of the Dutch textile industry, was the first to offer exclusive needlework designs. The craft sector was enriched with exclusive needlework designs. To the Belgian group, the designs were further expanded and further expanded. Inspired by the latest trends, it was possible if you wanted to create a Lanarte world class.

Today, the designs not only reflect the use of the highest quality materials, but also unique designs. Including the illustrations, the designs guarantee the timeless and stylish appearance of the embroidery.

Working with a Lanarte kit is more than embroidery. It is a centuries long tradition of art and craft.

Lanarte is the art of stitching.

Secret Stitch Along: het is leuk, maar hoe werkt het?

Borduren met een vleugje mysterie!

Ontdek de magie van onze Secret Stitch Along: een uniek telpakket waarvan het uiteindelijke ontwerp pas stap voor stap wordt onthuld. Onze eerdere edities bewezen het al—borduursters zijn dol op deze verrassende en verbindende ervaring.

Hoe werkt het?

Klanten kopen een exclusief LanArte- of Vervaco-pakket zonder vooraf te weten welk prachtig ontwerp ze zullen creëren. Deelnemers krijgen als allereersten toegang tot een nieuw patroon dat pas later in één van onze collecties verschijnt.

Omdat de afbeelding en de instructies niet in het pakket zitten, schrijven deelnemers zich in via onze Facebookpagina of website:

vervaco.be/secret-stitch-along of vervaco.be/secret-stitch-along-lanarte.

Inschrijven kan vanaf een vooraf bekendgemaakte startdatum.

Vanaf die datum ontvangen alle deelnemers wekelijks een nieuw deel van het patroon, zowel via de Secret Stitch Along Facebookgroep als per e-mail. Het volledige ontwerp wordt over meerdere weken vrijgegeven, afhankelijk van de grootte van het project.

Tijdens het borduren kunnen deelnemers hun voortgang, tips en enthousiasme delen met andere creatievelingen én met onze eigen Vera Verachtert. Volg ons zeker ook op Instagram via @secretXstitches!

Doe mee en beleef het plezier van een creatief avontuur vol verrassingen.
Mis deze exclusieve ervaring niet!

Met vriendelijke groeten,
Het LanArte & Vervaco Team

Secret Stitch Along: c'est amusant, mais comment cela marche?

Brodez avec une touche de mystère !

Découvrez la magie de notre Secret Stitch Along : un kit à broder unique dont le motif final est révélé étape par étape. Nos précédentes éditions l'ont déjà prouvé : les brodeuses adorent cette expérience surprenante et conviviale.

Comment cela fonctionne-t-il ?

Les clientes achètent un kit exclusif LanArte ou Vervaco sans connaître à l'avance le motif qu'elles vont réaliser. Les participantes sont les toutes premières à découvrir un nouveau modèle qui ne sera publié que plus tard dans l'une de nos collections.

Comme l'image et les instructions ne sont pas incluses dans le kit, les participantes s'inscrivent via notre page Facebook ou sur :

vervaco.be/secret-stitch-along ou vervaco.be/secret-stitch-along-lanarte.

À partir de la date de début annoncée, elles reçoivent chaque semaine une nouvelle partie du motif, via le groupe Facebook et par e-mail. Le motif complet est dévoilé sur plusieurs semaines, selon sa taille.

Tout au long de l'aventure, les participantes partagent leurs progrès, leurs conseils et leur enthousiasme avec d'autres passionnées ainsi qu'avec notre chère Vera Verachtert. Retrouvez-nous également sur Instagram : @secretXstitches !

Rejoignez-nous et vivez une expérience créative pleine de surprises.
Ne manquez pas cette exclusivité !

Meilleures salutations,

Secret Stitch Along: it's fun, but how does it work?

Stitch with a touch of mystery!

Discover the magic of our Secret Stitch Along: a unique counted cross-stitch kit where the final design is revealed step by step. Previous editions have shown that stitchers truly love this surprising and inspiring experience.

How does it work?

Customers purchase an exclusive LanArte or Vervaco kit without knowing which beautiful design they will create. Participants are the very first to stitch a brand-new pattern that will only be released later in one of our collections.

Because the image and instructions are not included, participants register via our Facebook page or through our website:

vervaco.be/secret-stitch-along or vervaco.be/secret-stitch-along-lanarte.

From the announced start date, they receive a new part of the pattern every week, via the Facebook group and by email. The complete design is revealed over several weeks, depending on its size.

Throughout the Stitch Along, participants share their progress, tips, and excitement with fellow stitchers and with our very own Vera Verachtert.

You can now also follow us on Instagram:

Join the fun and enjoy a creative adventure full of surprises.
Don't miss this exclusive experience!

Secret Stitch Along: das ist Spaß, aber wie funktioniert es?

Sticken mit einer Prise Geheimnis!

Entdecken Sie die Magie unseres Secret Stitch Along – ein einzigartiges Zählmuster-Kit, bei dem das endgültige Motiv Schritt für Schritt enthüllt wird. Unsere bisherigen Ausgaben beweisen: Stickerinnen lieben dieses überraschende und verbindende Erlebnis.

Wie funktioniert es?

Kundinnen kaufen ein exklusives LanArte- oder Vervaco-Kit, ohne vorher zu wissen, welches wunderschöne Motiv sie sticken werden. Die Teilnehmerinnen gehören zu den Ersten, die ein brandneues Design erstellen, das erst später in einer unserer Kollektionen erscheint.

Da das Bild und die Anleitung nicht im Kit enthalten sind, melden sich Teilnehmerinnen über unsere Facebook-Seite oder unsere Website an:

vervaco.be/secret-stitch-along oder vervaco.be/secret-stitch-along-lanarte.

Ab dem angekündigten Startdatum erhalten sie jede Woche einen neuen Teil des Musters, über die Facebook-Gruppe und per E-Mail. Das vollständige Design wird über mehrere Wochen hinweg freigegeben – je nach Größe des Projekts.

Während des Stick Along teilen die Teilnehmerinnen ihre Fortschritte, Tipps und ihre Begeisterung mit Gleichgesinnten und mit unserer eigenen Vera Verachtert. Folgen Sie uns jetzt auch auf Instagram:
